PROPERTY AND CASUALTY DIVISION

The Property and Casualty Division, pursuant to Chapter 44, Article 14, of the Nebraska Insurance Code, is charged with the responsibility of promoting the public welfare by regulating insurance rates so they shall not be excessive, inadequate or unfairly discriminatory. To accomplish this objective, rates must be approved by the Department prior to their use. Each rate filing is reviewed by members of this division to analyze the statistical or judgmental justification for the filing.

Policies, forms and certificates of insurance are also subject to approval by the Department before they can be issued by the insurers. They are reviewed for compliance with Nebraska statutes, clarity of language, benefit to the public and coverage commensurate with the rates charged.

During 1987, the Property and Casualty Division took final action on 7,972 filings. Of these 7,665 represent approvals, compared with 8,010 filings approved the previous year. Filings that were disapproved or were withdrawn at our request totalled 305.

Of these 7,665 filings, 141 were made by rating organizations (bureaus) for members and subscribers. Filings made by companies, either as independent filings or deviations, totalled 7,524.

The following is a breakdown by category:

<u>Fire and Marine</u>	<u>Multi-Peril</u>	<u>Auto</u>	<u>Liability</u>	<u>Other</u>
1,092	2,277	1,989	1,703	911

During the year 10 statistical plans and 25 experience reports were filed by statistical agents. These experience reports included premiums written and earned and losses paid and incurred in a particular line of insurance for one, three and five year periods.

Twenty-five policies were filed with us involving excess rates and ten individual policy filings were made.

The licensing of property and casualty companies seeking authority to do business in Nebraska is handled by this Division. During 1987, sixty-eight applications by foreign and alien companies were reviewed. Twenty-five of those were admitted.

This Division is also responsible for the administration of the Hospital-Medical Excess Liability Fund. During 1987 the surcharge collected was \$5,300,990.00 and the claims paid totalled \$1,282,036.00.

This Division is also responsible for oversight of the Surplus Lines business in Nebraska. Licensing of agents and collection of premium taxes are now handled by other Divisions.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION

Nebraska Life and Health Insurance Guaranty Association is a nonprofit, unincorporated association organized and established by the Nebraska Life and Health Insurance Guaranty Act, Sections 44-2701 thru 2720, R.S. Supp. 1975, which provides for the creation of an association of member insurers to enable the guaranty of payment of benefits and the continuance of coverage of life insurance policies, health insurance policies, annuity contracts and supplemental contracts. Any insurer licensed to issue life and health insurance policies, and annuity and supplemental contracts in the State of Nebraska is required to be a member.

Association members may be assessed three types of assessments as follows:

Class "A" - Assessment for administration expenses of the Association.

Class "B" - Assessment to cover insurance benefit claims and expenses of domestic (Nebraska) insurance companies which are declared insolvent by the State of Nebraska Department of Insurance.

Class "C" - Assessment to cover insurance benefit claims and expenses of foreign (other than Nebraska) insurance companies which are declared insolvent by the State Department of Insurance.

NOTE 2 - ACCOUNTING POLICIES AND INCOME TAXES

The Association maintains its accounting records and prepares its financial statements on the basis of cash receipts and disbursements.

Separate funds are maintained by type of assessments and by insurers, and the assets of each fund are held in separate bank accounts and certificates of deposit. Occasionally, monies are temporarily borrowed from some funds to pay disbursements of other funds but repayment of the borrowed monies plus interest is made as soon as possible.

The Association is a nonprofit, unincorporated entity of the State of Nebraska and, therefore, no income tax returns or return of organization exempt from income tax are required to be filed.

NOTE 3 - DUE TO CLASS A FUND FROM CLASS C3 FUND

From October 1983 thru December 1987, expenses regarding the Baldwin United insolvency were paid from the checking account of the Class A Fund. As of December 31, 1987, those expenses plus interest thereon were transferred to the Class C3 Fund for Baldwin United.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - CLASS C2 FUND FOR BALDWIN UNITED

As of December 31, 1987, the Class C3 Fund for Baldwin United had a deficit balance of \$149,271 which consisted of the following:

Amount due to Class A Fund for reimbursement of expenses and interest thereon as described in Note 3.....	\$ 73,892	
Amount due to Class C2 Fund for repayment of loan from the Class C2 Fund of \$80,000 plus \$883 interest thereon as described in Note 5.....		80,883
Firsttier Bank Lincoln checking account #215-955: Proceeds of loan from Class C2, Oct. 16, 1987.....	\$80,000	
Payment to Metropolitan Life Insurance Company on Oct. 26, 1987, for payment of assessment for the Baldwin United Enhancement Plan.....	(74,665)	
Interest income from checking account.....	181	
Bank charge for check forms.....	(12)	
Cash in checking account as of December 31, 1987...	<u>\$ 5,504</u>	<u>(5,504)</u>
Class C3 Deficit Balance as of December 31, 1987.....		<u>\$149,271</u>

The agreement by and between Metropolitan Life Insurance Company, and the Nebraska Life and Health Insurance Guaranty Association relating to the Overall Enhancement Plan of the Enhancement Plan Agreement dated September 10, 1985, regarding the Baldwin United insolvency, was signed July 7, 1987. On October 26, 1987, \$74,665 was paid to Metropolitan Life Insurance Company to cover the maximum aggregate amount estimated due from the Nebraska Life and Health Insurance Guaranty Association to the covered policyholders residing in the State of Nebraska. A letter dated February 24, 1988, from the National Organization of Life and Health Insurance Guaranty Associations indicates that approximately \$22,000 is expected to be refunded.

The \$149,271 deficit balance of the Class C3 Fund as of December 31, 1987, less the expected refund of approximately \$22,000, plus any additional expenses, will be recovered from an assessment to be made of member insurers.

Many companies in the insurance industry contributed to a \$50 million pool for the Baldwin United insolvency. Those companies are eligible for credit against the assessments by the guaranty associations of the various states. The maximum credit to be allowed against assessments by the Nebraska Life and Health Insurance Guaranty Association is \$309,000. However, the \$309,000 maximum amount may be less because the credit allowed to a participating company will be limited to the amount of the assessment against that company.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - CLASS C4 FUND FOR FARM AND RANCH LIFE INSURANCE COMPANY

The Farm and Ranch Life Insurance Company, Topeka, Kansas, was put into receivership on August 25, 1987. That company issued credit life and credit disability insurance, and a few multiple employer trust contracts with major medical insurance coverage. There are 10,971 insurance certificate holders in Nebraska, most of whom have credit life insurance policies through automobile dealers and lenders.

Management representatives of the Nebraska Life and Health Insurance Guaranty Association on September 30, 1987, decided that with the approval of the Director of the Nebraska Department of Insurance, the Nebraska Life and Health Insurance Guaranty Association should adopt the following position regarding the insurance policies of the Farm and Ranch Life Insurance Company: (1) Any covered benefit claims incurred under the affected policies should be paid; (2) The group insurance policies are cancelled effective as of September 11, 1987, and no new insurance certificates will be issued under those policies and no renewals will be issued; and (3) Insurance certificates issued and outstanding prior to September 11, 1987, will be assumed by the Nebraska Life and Health Insurance Guaranty Association.

On November 13, 1987, Nebraska Life and Health Insurance Guaranty Association entered into an agreement with Logic Management Services, Inc., Dallas, Texas, for administration of benefit claims of the Farm and Ranch Life Insurance Company.

On December 28, 1987, checks totaling \$122,315 were issued for payment of benefit claims. All of those checks were outstanding as of December 31, 1987.

An additional 134 checks totaling \$89,958 cleared the bank in January 1988, and 142 checks totaling \$144,689 cleared the bank in February 1988, which were for payment of benefit claims of the Farm and Ranch Life Insurance Company. Through February 1988, benefit claim payments totaled \$356,962 plus the outstanding checks which had not yet cleared the bank as of February 29, 1988.

Management of Logic Management Services, Inc. estimates that benefits claim payments will be approximately \$60,000 to \$65,000 per month for some time, and that most of the policies were for periods of 2 to 3 years.

The total potential exposure to which the Nebraska Life and Health Insurance Guaranty Association has responsibility for benefit claim payments is not yet known and, therefore, it currently is administratively difficult to make an assessment to member insurers until the total liability for the Farm and Ranch Life Insurance Company benefit claims can be quantified.

As of December 31, 1987, the Class C4 Fund for Farm and Ranch Life Insurance Company had a deficit of \$126,045 which consisted of the \$122,315 of outstanding checks for benefit claim payments mentioned above, plus \$3,730 due to the Class A Fund for legal fees and expenses of \$3,700 regarding the insolvency of the Farm and Ranch Life Insurance Company, and \$30 interest thereon, as mentioned in Note 4.
